SUMMARY

I am Aditya kumar from Bihar, Patna . I did my intermediate from my own city. At the present I am pursuing my course B.Tech specializing in Computer Science at Meerut Institute of Technology.

I have a deep passion for web development, particularly in working with languages such as HTML5, CSS, and JavaScript. These languages are instrumental in my pursuit of front-end web development. I thoroughly enjoy the process of creating visually appealing and interactive websites. Through my dedication to honing my skills in these languages, I strive to master the art of crafting user-friendly and engaging digital experiences. I am committed to staying up-to-date with the latest trends and techniques in web development, as I continuously seek to enhance my proficiency. With my strong foundation in HTML5, CSS, and JavaScript, I am poised to excel in the dynamic field of front-end web development.
